# So Where is the Fire?

**When fire comes it does several things.**

- Fire Goes to the Core it penetrates everything.
- Fire consumes it is very destructive.
- Fire ignites everything around it.
- Fire Protects.
- Fire brings new Life only after it consumes.
- Fire produces Transparency in the believer.

- Fire reveals the type of bond which holds a substance together.
- Fire separates the impurities.
- Fire produces pure gold.
- Fire bonds pure metal to strengthen them.
- Fire separates that which is durable from the perishable.
