

# Three Laws of Balance:

- Determine your focus point
- Clarify your purpose
- Make constant corrections

# Financial Laws:

- Law of the Harvest – sow now, reap later
- Law of Fairness – does not apply
- Law of More – the more money you have, the easier it is to get out of balance.

# Bible Facts about Money

- 2350 verses in the Bible about Money
- 1 out of every 6 verses in Matthew, Mark, & Luke is about material possessions
- Nearly half of Jesus' parables are about possessions.
- Jesus spoke more about money than he did about heaven and hell combined.

# Managing your Money “Finding Balance”

- Making Money
- Saving Money
- Spending Money
- Giving Money

In order to keep these in balance,  
we need to identify our focus  
point and purpose.

# Finding your Focus Point and Purpose

Focus Point – “Why do we have money?”

**Everything we have comes  
from God**

Clarify your purpose

**Honor God with Everything**

Does the thought of God owning everything strike fear in your minds?

God doesn't need your permission to take things from you.

God doesn't want your money, he wants to make sure your money doesn't have you.

God doesn't want your stuff, he wants you.

# Practical Application

Where is my money going?

Why? It's not my money, you are managing God's money.

Write down everything you spend for one week!
